Discover the Texas Collection – a harmonious blend of artistry and innovation, offering versatile surfaces in Triform and Noble Editions. Perfect for creating timeless spaces with unmatched style and functionality

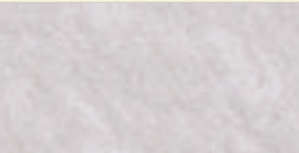

TRIFORM
EDITION

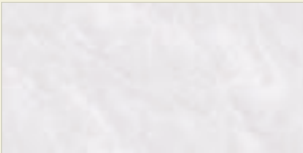

60X120CM

The marble look means timeless elegance: naturally at ease in contexts with strong reminders of the past, yet equally at home in contemporary settings. With triform edition lights up the radiant beauty of marble from an original perspective, suggesting a deeply trendy style with a keen eye on the future. A charm-packed look for the 21st Century.

TIMELESS ELEGANCE IN EVERY SURFACE

TRIFORM EDITION

The marble look means timeless elegance: naturally at ease in contexts with strong reminders of the past, yet equally at home in contemporary settings. With triform edition lights up the radiant beauty of marble from an original perspective, suggesting a deeply trendy style with a keen eye on the future. A charm-packed look for the 21st Century.

The concept of the triform edition add an eccentric touch that transforms your space into an inviting abode. Add texture and dimension to your space and create a striking visual effect with the help of a 3 different kind of surfaces like polished, Matte-X and art.

Qutone’s triform edition offer an aesthetic and compositional potential capable of interpreting the essence of each project : from wall and floor coverings to furnishing elements for residential and commercial environments, with indoor applications.

NOBLE
EDITION

60X120CM

Faced with the greatness and power of Nature, we human beings discover wonder. We experience it as a sudden sensation that takes us by surprise and disorients us, but our wonder lies precisely in that sense of fascinating bewilderment. For these same reasons, Noble is inspired by the expressions of Nature that have the power to leave us breathless, because beauty is mirrored right there.

DAZZLING DESIGNS FOR BOLD STATEMENTS

NOBLE EDITION

Faced with the greatness and power of Nature, we human beings discover wonder. We experience it as a sudden sensation that takes us by surprise and disorients us, but our wonder lies precisely in that sense of fascinating bewilderment. For these same reasons, Noble is inspired by the expressions of Nature that have the power to leave us breathless, because beauty is mirrored right there.

NOBLE pushes us to lift our gaze upwards, to a higher level. An indescribable emotion, which we find in every noble edition product: vivid colours, fascinating veining, precious reflections, unique colour variations, and an eternal sense of elegance that captivates the senses, elevating every space with timeless beauty.

Each noble edition piece is crafted with meticulous attention to detail, showcasing the perfect balance between form and function. The careful selection of materials ensures that every product is not just a creation, but a masterpiece. We strive to bring forward a sense of luxury that resonates creating an atmosphere of sophistication and grace.
