**Verantes** is an abbreviation of the Spanish phrase, “Verantes queotros” translated as “see before others”, a vision of the future. True to its name, a Verantes product is a glimpse of the future. Something that reflects your refined taste, making it the centerpiece of your home!

We are the first brand in the kitchen industry to setup a centrally moderated installation & service network. Our dedicated after sales team will ensure an automatic and hassle free workflow for the fastest resolutions.

## FROM THE HOUSE OF VERANTES LIVING

We have an extensive history behind us — and surprisingly more to come. Ferro nova Kitchens are launched by Verantes Living which has excellent track records in terms of quality and customer satisfaction over years and has created a milestones by opening over 28 premium Verantes quality stores within a span of 3 years and counting.

We don't simply construct kitchens — we create space. A space for health. A space for comfort. A space for happiness. Space for bunch of individuals or one individual, space for recollections, and for what is on the way. Let us inspire you. The Kitchen should be elegant in such a manner that it looks appealing to the eyes of the beholder.

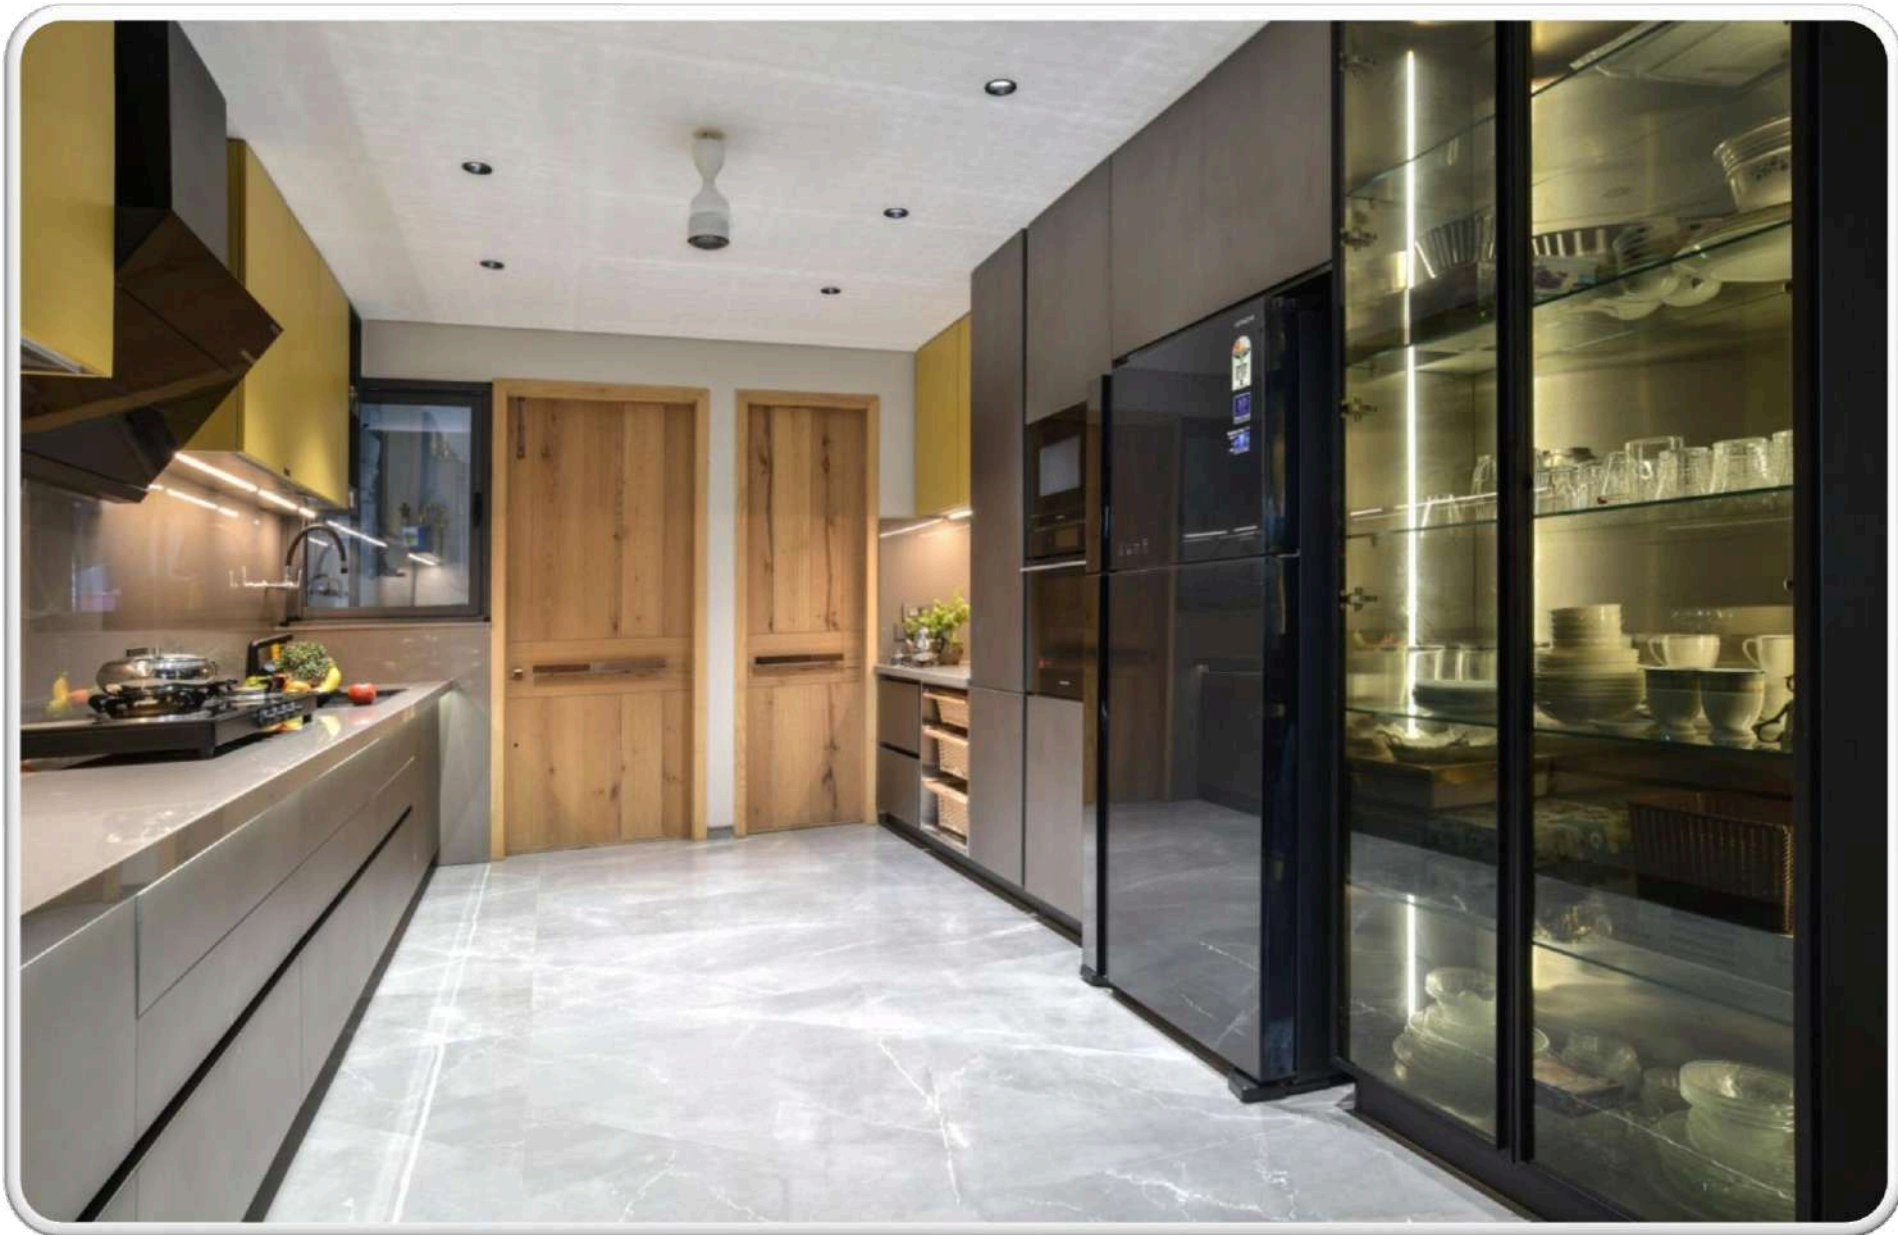

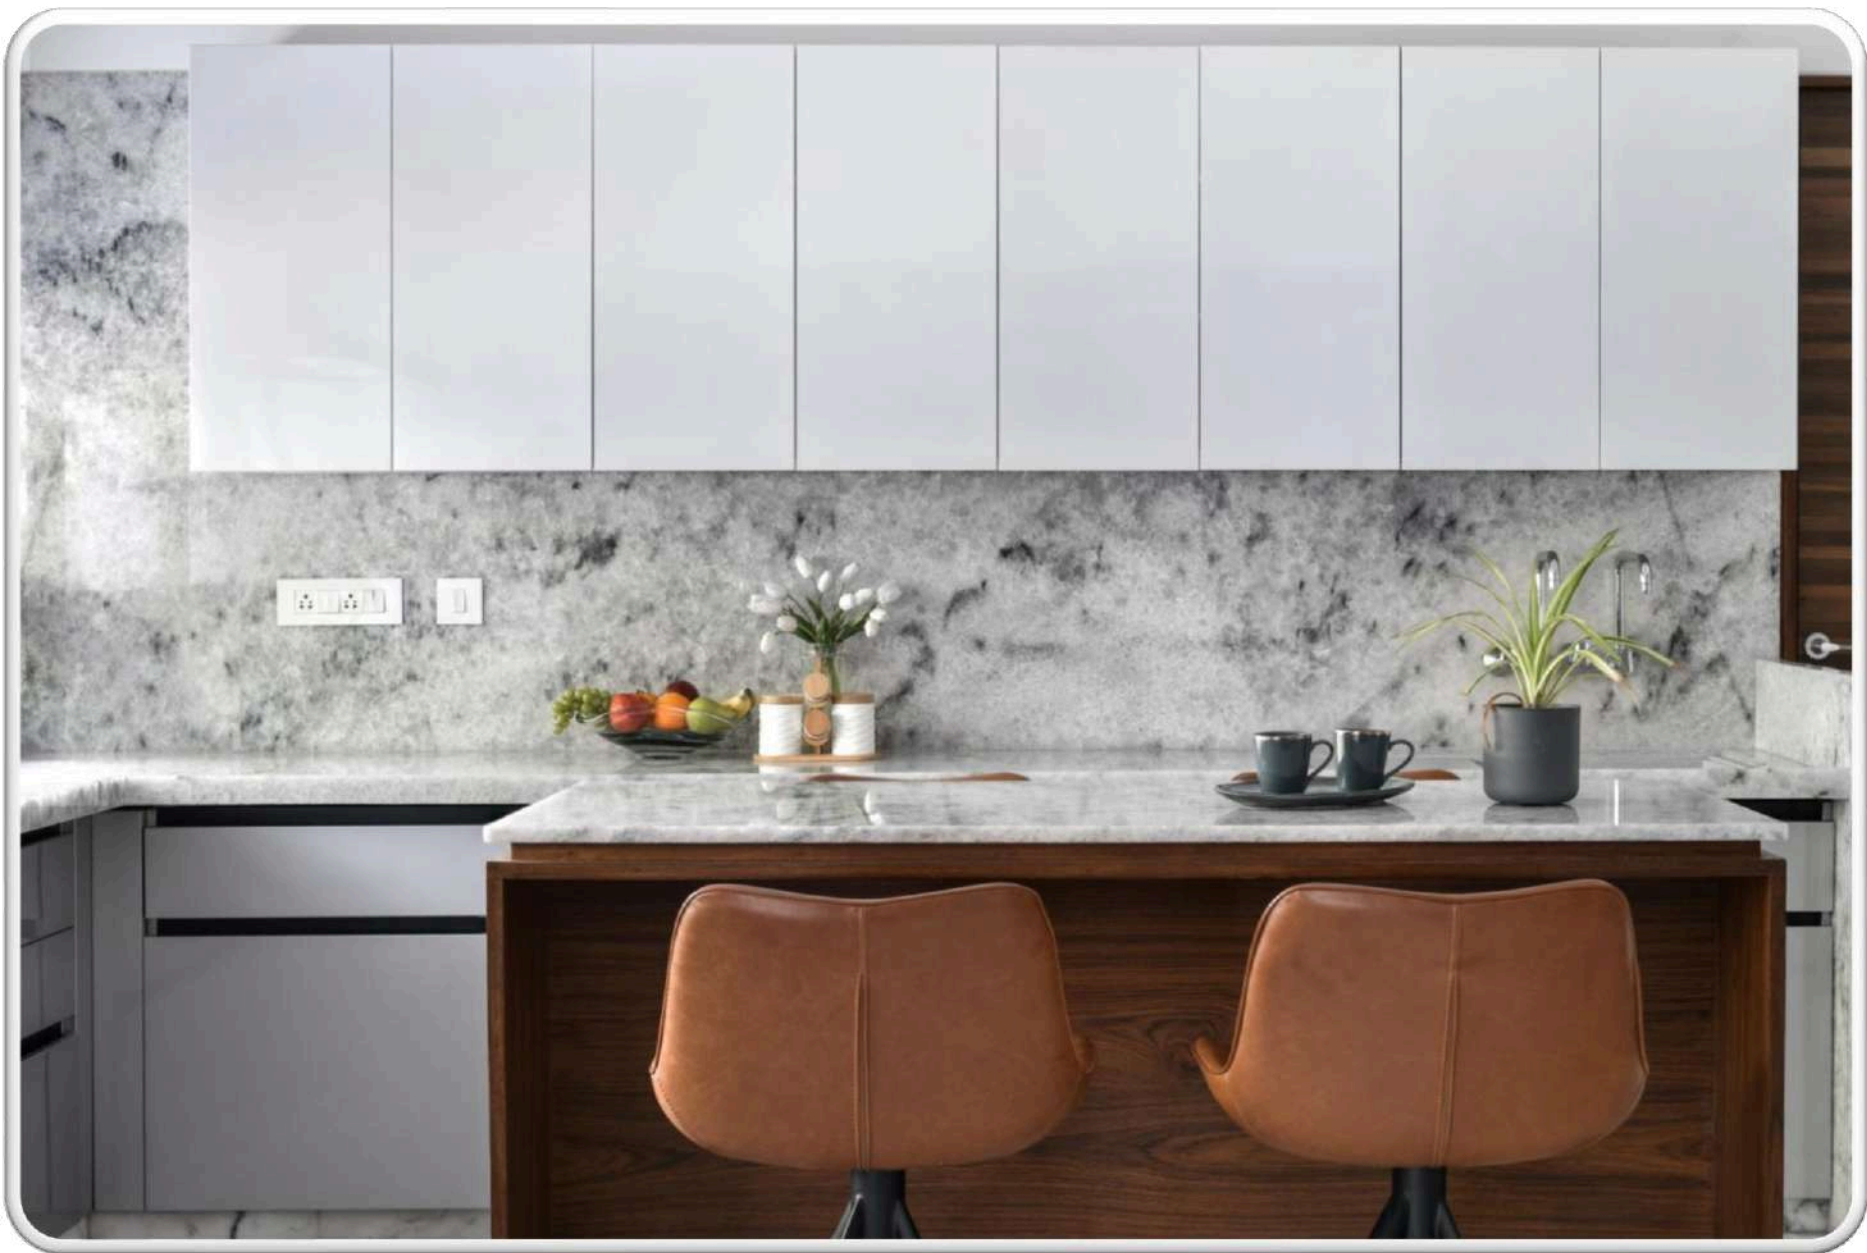

YOUR NEW SOCIAL HUB, YOUR  
VERANTES KITCHEN!

Verantes Kitchens aims to provide Indian homes a lifelong kitchen solutions by making the most out of technology by combining sustainable and innovative materials together.

Kitchens have evolved from being the boring corner of your home where meals are cooked. Kitchen today is the social hub of your home where you spend quality time with your family and friends, exploring cuisines of the world, having a birthday bash or just a regular day. Our stunning kitchens will entice you & will introduce the master chef within you to the world!

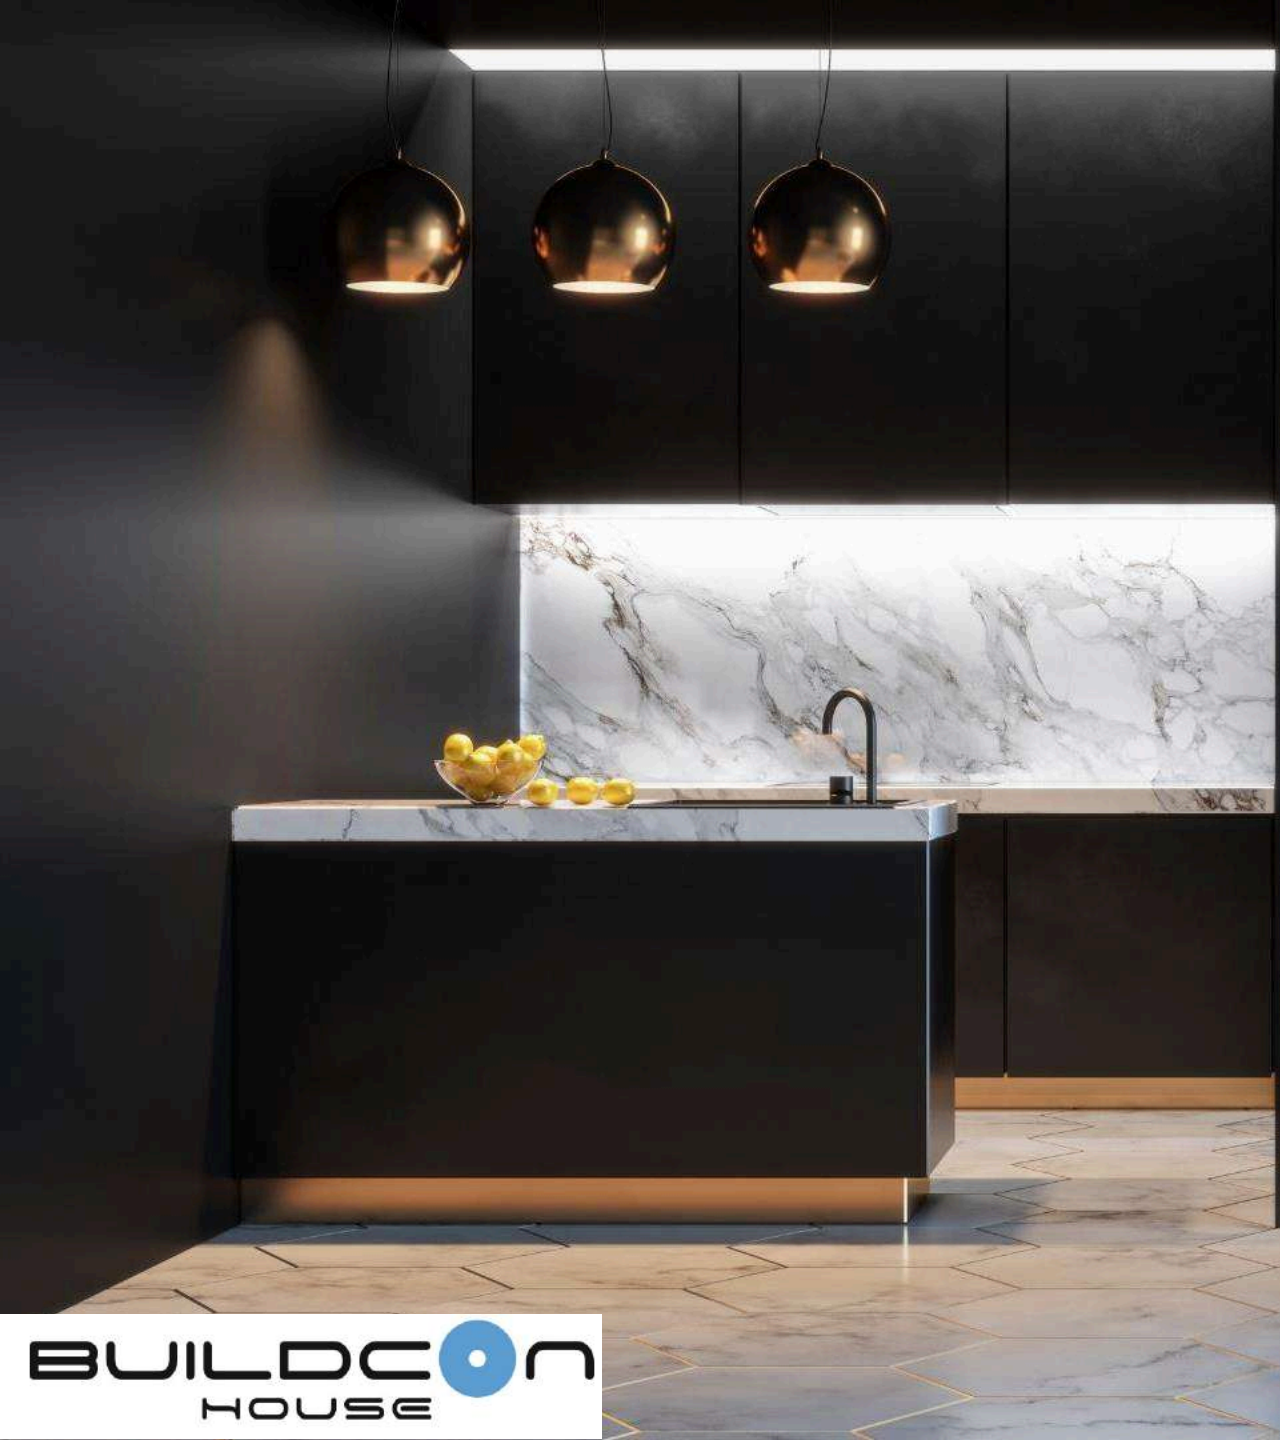

At Verantes, every bespoke kitchen combines scrupulous craftsmanship, innovation, and precision. Every detail, like shutter sizes, handles, profiles, and glass, can be tailored to your taste and style. We take great pride in our artistry and attention to detail.

HEALTH • COMFORT • HAPPINESS

Verantes Living doesn't simply construct kitchens — we make space. A space for health. A space for comfort. A space for happiness. Space for bunch of individuals or one individual, space for recollections, and for what is on the way. Let us inspire you.

A still life composition featuring two glasses of fruit and yogurt, a small bowl of blueberries, and fresh herbs on a dark, textured tray. The tray is set on a dark, textured surface. The lighting is dramatic, highlighting the textures of the food and the tray. The overall mood is rustic and elegant.

Our kitchens guarantee a high quality standard and a high degree of safety. With its quality and attention to detail, Verantes offers multiple compositions, colors and materials that guarantee the creation of a timeless product.
